The County, through Arts and Culture, provides grants to Los Angeles County School Districts to support quality arts education programming for public school students.

Grantee is a Los Angeles County School District that is part of the Arts Ed Collective network and is currently implementing a board-approved strategic plan for arts education.

### **Section 1. AGREEMENT DOCUMENTS**

This Agreement is comprised of this three-page document, the Standard Terms and Conditions attached hereto as Exhibit A, and the General Terms and Instructions attached hereto as Exhibit B. Grantee affirms it has reviewed the entire Agreement, including the attached exhibits, and understands and will comply with the terms and conditions contained therein.

### **Section 2. PURPOSE AND SCOPE OF GRANT**

The County desires to provide a grant to support Grantee in addressing and achieving key action items that move them toward their long term vision for arts education within their school district, as described in the application materials submitted to the County in connection with this grant. Specifically, this grant award will be used for the following purposes only ("Project"): **«District\_Confirmed\_Project\_Description\_»**.

### **Section 3. AGREEMENT TERM**

The term of this Agreement shall commence when executed by all parties hereto, no earlier than July 1, 2025, and shall expire on **June 30, 2026**. At the sole discretion of the County, the Term may be extended in the event of delays to the implementation of the contracted project. Such an extension shall be memorialized in writing.

### **Section 4. MAXIMUM GRANT AMOUNT**

The maximum grant amount payable by the County to the Grantee under this Agreement may not exceed: **\$«Award\_Contracted»**.

### **Section 5. ADDITIONAL TERMS AND CONDITIONS**

- A. **Matching Funds.** As a condition of this grant award, Grantee must provide, at a minimum, matching funds equal to or exceeding the amount set forth in Section 4, above, for the purposes of funding the Project. If for any reason Grantee fails to contribute any or all of the required matching funds, the grant award will be reduced in an amount equal to the amount of matching funds Grantee fails to contribute. Grantee must reimburse the County any grant amount forfeited pursuant to this paragraph within 10 business days of a demand by the County for reimbursement, or within 30 days of expiration of the term of this Agreement, whichever is earlier. Grantee will follow those procedures and requirements established in the General Terms and Instructions (Exhibit B) for the acquisition and reporting of matching funds.
- B. The County will pay the grant allocations set forth in Section 4, above, to Grantee in up to three (3) installments. The County will not pay any interest or other charges on any grant allocation. Grantee must submit invoices as follows:
- (i) Grantee may submit one (1) invoice for a maximum of 25% of the grant award following successful completion of all project planning and attendance at a County-scheduled grantee convening or a countywide network event. This invoice is optional.
  - (ii) Grantee may submit one (1) invoice for a maximum of 50% of the grant award following successful completion of a mid-project check-in and site visit with County staff. This invoice is optional.
  - (iii) Grantee must submit one (1) invoice for all unpaid grant funds on or before May 15, 2026. This invoice is mandatory and must be accompanied by a completed Final Report, as described in the General Terms and Instructions (Exhibit B). Payment pursuant to this invoice is contingent upon submission of the Final Report.
- Grantee's failure or election not to submit an optional invoice pursuant to (i) or (ii), above, will not limit, reduce, or otherwise affect the Grantee's obligations under this Agreement.
- C. All grant funds must be expended by May 15, 2026, unless written approval is granted. Any funds allocated by the County to Grantee pursuant to this Agreement which are not used by Grantee in support of the Project must be returned to the County within 30 days of the expiration of the term of this Agreement. Grantee will forfeit any grant funds which remain unused upon the expiration of this Agreement.
- D. Grantee agrees to comply with the terms of this Agreement, including the terms set forth in the attached Exhibits A and B, all applicable local, state and federal laws, and all applicable current and future guidelines issued by Arts and Culture.
- E. **Signatures.** Grantee represents and warrants that the person or persons executing this Agreement for Grantee is/are authorized agent(s) who have actual authority to bind Grantee to each and every provision of this Agreement, and that all requirements of Grantee have been fulfilled to provide such actual authority.

## **1.0 CONTRACT OVERVIEW**

---

Grantees must meet all applicable award requirements. If you fail to comply with requirements, your contract may be suspended or terminated, and you may forfeit some or your entire grant award. Grantees can contact Advancement Grant Program Specialist at any time to discuss the grant funded project and terms of the contract.

### **1.1 Grant Period**

The grant period is from July 1, 2025 through June 30, 2026. County grant funds must be expended after the contract execution date. Matching funds may be applied to Project expenditures anytime during the Grant Period. *Please note that the invoicing and reporting deadline is May 15, 2026, unless a written extension is issued.*

### **1.2 Signing the Contract**

The contract must be executed with two signatures:

- The district's superintendent, and
- A School Board President or a member of the School Board authorized to act on its behalf. Alternatively, a resolution adopting or approving this Agreement may be substituted for a School Board signature.

### **1.3 Matching Funds**

Grantees must demonstrate and report matching funds that ensure Los Angeles County (County) grant funds do not exceed fifty percent (50%) of the total cost of the project. Please note that the contract provides that you may forfeit some or your entire grant award if you do not comply with this requirement.

## **2.0 REQUIREMENTS FOR CONTRACTING**

---

The following requirements must be met by your school district prior to the signing of your contract:

### **2.1 Grant Acceptance Form**

To accept the grant award, grantees must provide the Department of Arts and Culture (Arts and Culture) with a completed Grant Acceptance Form. This form requires you to update the target participation and grant budget, including all expenses and matching funds related to the scope of your project and reflective of your final award amount. To complete and submit the form, visit the grant management system: [apply-lacdac.smapply.io](https://apply-lacdac.smapply.io).

Forms must be completed accurately and in full:

- Grant budget table tabulates correctly and includes sufficient matching funds
- Adjusted scope of activities within the form aligns with the project as stated in Section 2 of the Program Agreement
- All questions are completed and changes in scope described clearly

**Arts and Culture must confirm acceptable completion of the form prior to final execution of the contract; any delays in submission of a complete and accurate form may delay final execution of the grant contract and consequently the distribution of the grant award.**

## **2.2 Assignment of a Project Lead**

A district must assign a project lead who will manage the coordination, implementation and assessment of the project and all elements of the contract between the district and the County. If the project lead listed in the contract changes, the district must notify Arts and Culture and identify the name and contact information of the new project lead. Notification should occur before the existing project lead's responsibilities change so that a transition meeting can be scheduled between the former and future district project lead and Arts and Culture staff.

## **2.3 Los Angeles County Vendor Number**

Grantees must have a current vendor number registered with the County. To obtain a vendor ID and register with the Vendor Self Services (VSS) Portal, visit [camisvr.co.la.ca.us/webven/](http://camisvr.co.la.ca.us/webven/). Contractor will not have the right to enter into any settlement, agree to any injunction or other equitable relief, or make any admission, in each case, on behalf of County without County's prior written approval.

#### **3.2 Compliance with Civil Rights Laws**

The contractor hereby assures that it will comply with Subchapter VI of the Civil Rights Act of 1964, 42 USC Sections 2000 (e) (1) through 2000 (e) (17), to the end that no person will, on the grounds of race, creed, color, sex, religion, ancestry, age, condition of physical handicap, marital status, political affiliation, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination

([County Code Chapter 2.202](#))

### **3.4 Prohibited Activity.**

To the extent applicable, the Contractor represents and warrants that it will not engage in or permit any religious proselytizing or political propagandizing in connection with the performance of this Agreement. ### **3.5 Liquidated Damages**

**3.5.1** If, in the judgment of the Department Head, or his/her designee, the contractor is deemed to be non-compliant with the terms and obligations assumed hereby, the Department Head, or his/her designee, at his/her option, in addition to, or in lieu of, other remedies provided herein, may withhold the entire monthly payment or deduct pro rata from the contractor's invoice for work not performed. A description of the work not performed and the amount to be withheld or deducted from payments to the contractor from the County, will be forwarded to the contractor by the Department Head, or his/her designee, in a written notice describing the reasons for said action.

**3.5.2** If the Department Head, or his/her designee, determines that there are deficiencies in the performance of this Contract that the Department Head, or his/her designee, deems are correctable by the contractor over a certain time span, the Department Head, or his/her designee, will provide a written notice to the contractor to correct the deficiency within specified time frames. Should the contractor fail to correct deficiencies within said time frame, the Department Head, or his/her designee, may: (a) Deduct from the contractor's payment, pro rata, those applicable portions of the Monthly Contract Sum; and/or (b) Deduct

liquidated damages. The parties agree that it will be impracticable or extremely difficult to fix the extent of actual damages resulting from the failure of the contractor to correct a deficiency within the specified time frame. The parties hereby agree that under the current circumstances a reasonable estimate of such damages is \$100 per day per infraction, or as specified in Attachment 2 (Performance Requirements Summary (PRS)) Chart of Exhibit A (Statement of Work and Attachments) hereunder, and that the contractor will be liable to the County for liquidated damages in said amount. Said amount will be deducted from the County's payment to the contractor; and/or (c) Upon giving five (5) days notice to the contractor for failure to correct the deficiencies, the County may correct any and all deficiencies and the total costs incurred by the County for completion of the work by an alternate source, whether it be County forces or separate private contractor, will be deducted and forfeited from the payment to the contractor from the County, as determined by the County.

**3.5.3** The action noted in Paragraph 8.26.2 must not be construed as a penalty, but as adjustment of payment to the contractor to recover the County cost due to the failure of the contractor to complete or comply with the provisions of this Contract.

**3.5.4** This Paragraph must not, in any manner, restrict or limit the County's right to damages for any breach of this Contract provided by law or as specified in the PRS or Paragraph 8.26.2, and must not, in any manner, restrict or limit the County's right to terminate this Contract as agreed to herein.

### **3.6 Budget Reductions**

In the event that the County's Board of Supervisors adopts, in any fiscal year, a County Budget which provides for reductions in the salaries and benefits paid to the majority of County employees and imposes similar reductions with respect to County contracts, the County reserves the right to reduce its payment obligation under this Contract correspondingly for that fiscal year and any subsequent fiscal year during the term of this Contract (including any extensions), and the services to be provided by the contractor under this Contract will also be reduced correspondingly. The County's notice to the contractor regarding said reduction in payment obligation will be provided within thirty (30) calendar days of the Board's approval of such actions. Except as set forth in the preceding sentence, the contractor must continue to provide all the services set forth in this Contract.

### **3.7 Complaints**

The contractor must develop, maintain, and operate procedures for receiving, investigating and responding to complaints.

**3.7.1.3** If the County requests changes in the contractor's policy, the contractor must make such changes and resubmit the plan within 10 (ten) business days for County approval.

- 3.7.1.4** If, at any time, the contractor wishes to change the contractor's policy, the contractor must submit proposed changes to the County for approval before implementation.
- 3.7.1.5** The contractor must preliminarily investigate all complaints and notify the County's Project Manager of the status of the investigation within 10 (ten) business days of receiving the complaint.
- 3.7.1.6** When complaints cannot be resolved informally, a system of follow-through will be instituted which adheres to formal plans for specific actions and strict time deadlines.
- 3.7.1.7** Copies of all written responses must be sent to the County's Project Manager within 10 (ten) business days of mailing to the complainant.

### **3.8 County's Quality Assurance Plan**

The County or its agent(s) will monitor the contractor's performance under this Contract on not less than an annual basis. Such monitoring will include assessing the contractor's compliance with all Contract terms and conditions and performance standards. Contractor deficiencies which the County determines are significant or continuing and that may place performance of the Contract in jeopardy if not corrected will be reported to the Board of Supervisors and listed in the appropriate contractor performance database. The report to the Board will include improvement/corrective action measures taken by the County and the contractor. If improvement does not occur consistent with the corrective action measures, the County may terminate this Contract or impose other penalties as specified in this Contract.

### **3.9 Contractor Responsibility and Debarment**

#### **3.9.1 Responsible Contractor**

A responsible contractor is a contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity, and experience to satisfactorily perform the contract. It is the County's policy to conduct business only with responsible contractors.

#### **3.9.2 Chapter 2.202 of the County Code**

The contractor is hereby notified that, in accordance with [Chapter 2.202 of the County Code](#), if the County acquires information concerning the performance of the contractor on this or other contracts which indicates that the contractor is not responsible, the County may, in addition to other remedies provided in the Contract, debar the contractor from bidding or proposing on, or being awarded, and/or performing work on County contracts for a specified period of time, which generally will not exceed five (5) years but may exceed five (5) years or be permanent if warranted by the circumstances, and terminate any or all existing contracts the contractor may have with the County.

#### **3.9.3 Non-responsible contractor**

The County may debar a contractor if it finds, in its discretion, that the contractor has done any of the following: 1) violated a term of a contract with the County or a nonprofit corporation created by the County, 2) committed an act or omission which negatively reflects on the contractor's quality, fitness or

capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same, 3) committed an act or offense which indicates a lack of business integrity or business honesty, or 4) made or submitted a false claim against the County or any other public entity.

### **3.9.4 Contractor Hearing Board**

**3.9.4.1** If there is evidence that the contractor may be subject to debarment, the Department will notify the contractor in writing of the evidence which is the basis for the proposed debarment and will advise the contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.

**3.9.4.2** The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The contractor and/or the contractor's representative will be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board will prepare a tentative proposed decision, which will contain a recommendation regarding whether the contractor should be debarred, and, if so, the appropriate length of time of the debarment. The contractor and the Department will be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.

**3.9.4.3** After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board will be presented to the Board of Supervisors. The Board of Supervisors will have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

**3.9.4.4** If a contractor has been debarred for a period longer than five (5) years, that contractor may after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the contractor has adequately demonstrated one or more of the following: 1) elimination of the grounds for which the debarment was imposed; 2) a bona fide change in ownership or management; 3) material evidence discovered after debarment was imposed; or 4) any other reason that is in the best interests of the County.

**3.9.4.5** The Contractor Hearing Board will consider a request for review of a debarment determination only where 1) the contractor has been debarred for a period longer than five (5) years; 2) the debarment has been in effect for at least five (5) years; and 3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board will conduct a hearing where evidence on the proposed reduction of

debarment period or termination of debarment is presented. This hearing will be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

**3.9.4.6** The Contractor Hearing Board's proposed decision will contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board will present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors will have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

Such repairs must be made immediately after the contractor has become aware of such damage, but in no event later than thirty (30) days after the occurrence.

**3.10.2** If the contractor fails to make timely repairs, County may make any necessary repairs. All costs incurred by County, as determined by County, for such repairs must be repaid by the contractor by cash payment upon demand.

### **3.11 Publicity**

**3.11.1** The contractor must not disclose any details in connection with this Contract to any person or entity except as may be otherwise provided hereunder or required by law. However, in recognizing the contractor's need to identify its services and related clients to sustain itself, the County will not inhibit the contractor from publishing its role under this Contract within the following conditions:

**3.11.1.1** The contractor must develop all publicity material in a professional manner; and

**3.11.1.2** During the term of this Contract, the contractor will not, and will not authorize another to, publish or disseminate any commercial advertisements, press releases, feature articles, or other materials using the name of the County without the prior written consent of the County's Project Director. The County will not unreasonably withhold written consent.

**3.11.1.3** The contractor may, without the prior written consent of County, indicate in its proposals and sales materials that it has been awarded this Contract with the County of Los Angeles, provided that the requirements of this Paragraph 3.11 (Publicity) will apply.

### **3.12 Records**

#### **3.12.1** Public Records Act

**3.12.1.1** Any documents submitted by the contractor; all information obtained in connection with the County's right to audit and inspect

the contractor's documents, books, and accounting records pursuant to Paragraph 3.12.2 (Record Retention and Inspection-Audit Settlement) of this Contract; as well as those documents which were required to be submitted in response to the Request for Proposals (RFP) used in the solicitation process for this Contract, become the exclusive property of the County. All such documents become a matter of public record and will be regarded as public records. Exceptions will be those elements in the California Government Code Section 6250 et seq. (Public Records Act) and which are marked "trade secret", "confidential", or "proprietary". The County will not in any way be liable or responsible for the disclosure of any such records including, without limitation, those so marked, if disclosure is required by law, or by an order issued by a court of competent jurisdiction.

**3.12.1.2** In the event the County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a proposal marked "trade secret", "confidential", or "proprietary", the contractor agrees to defend and indemnify the County from all costs and expenses, including reasonable attorney's fees, in action or liability arising under the Public Records Act.

**3.12.2** Record Retention and Inspection-Audit Settlement

**3.12.2.1** The contractor must maintain accurate and complete financial records of its activities and operations relating to this Contract in accordance with generally accepted accounting principles. The contractor must also maintain accurate and complete employment and other records relating to its performance of this Contract. The contractor agrees that the County, or its authorized representatives, will have access to and the right to examine, audit, excerpt, copy, or transcribe any pertinent transaction, activity, or record relating to this Contract. All such material, including, but not limited to, all financial records, bank statements, cancelled checks or other proof of payment, timecards, sign-in/sign-out sheets and other time and employment records, and proprietary data and information, will be kept and maintained by the contractor and will be made available to the County during the term of this Contract and for a period of five (5) years thereafter unless the County's written permission is given to dispose of any such material prior to such time. All such material must be maintained by the contractor at a location in Los Angeles County, provided that if any such material is located outside Los Angeles County, then, at the County's option, the contractor will pay the County for travel, per diem, and other costs incurred by the County to examine, audit, excerpt, copy, or transcribe such material at such other location.

**3.12.2.2** In the event that an audit of the contractor is conducted specifically regarding this Contract by any Federal or State auditor, or by any auditor or accountant employed by the contractor or otherwise, then the contractor must file a copy of such audit report with the County's Auditor Controller within thirty (30) days of the contractor's receipt thereof, unless otherwise provided by applicable Federal or State

law or under this Contract. Subject to applicable law, the County will make a reasonable effort to maintain the confidentiality of such audit report(s).

**3.12.2.3** Failure on the part of the contractor to comply with any of the provisions of this subparagraph will constitute a material breach of this Contract upon which the County may terminate or suspend this Contract.

**3.12.2.4** If, at any time during the term of this Contract or within five (5) years after the expiration or termination of this Contract, representatives of the County conduct an audit of the contractor regarding the work performed under this Contract, and if such audit finds that the County's dollar liability for any such work is less than payments made by the County to the contractor, then the difference must be either: a) repaid by the contractor to the County by cash payment upon demand or b) at the sole option of the County's Auditor-Controller, deducted from any amounts due to the contractor from the County, whether under this Contract or otherwise. If such audit finds that the County's dollar liability for such work is more than the payments made by the County to the contractor, then the difference will be paid to the contractor by the County by cash payment, provided that in no event will the County's maximum obligation for this Contract exceed the funds appropriated by the County for the purpose of this Contract.

### **3.13 Conflicts of Interest**

#### **3.13.1 Conflict of Interest**

**3.13.1.1** No County employee whose position with the County enables such employee to influence the award of this Contract or any competing Contract, and no spouse or economic dependent of such employee, will be employed in any capacity by the contractor or have any other direct or indirect financial interest in this Contract. No officer or employee of the contractor who may financially benefit from the performance of work hereunder will in any way participate in the County's approval, or ongoing evaluation, of such work, or in any way attempt to unlawfully influence the County's approval or ongoing evaluation of such work.

**3.13.1.2** The contractor must comply with all conflict of interest laws, ordinances, and regulations now in effect or hereafter to be enacted during the term of this Contract. The contractor warrants that it is not now aware of any facts that create a conflict of interest. If the contractor hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it must immediately make full written disclosure of such facts to the County. Full written disclosure must include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. Failure to comply with the provisions of this paragraph will be a material breach of this Contract.

#### **3.13.2 Prohibition Against Inducement or Persuasion**

Notwithstanding the above, the contractor and the County agree that, during the term of this Contract and for a period of one year thereafter, neither party will in any way intentionally induce or persuade any employee of one party to become an employee or agent of the other party. No bar exists against any hiring action initiated through a public announcement.

**3.13.3** Prohibition from Participation in Future Solicitation(s)

A Proposer, or a Contractor or its subsidiary or Subcontractor ("Proposer/Contractor"), is prohibited from submitting a bid or proposal in a County solicitation if the Proposer/Contractor has provided advice or consultation for the solicitation. A Proposer/Contractor is also prohibited from submitting a bid or proposal in a County solicitation if the Proposer/Contractor has developed or prepared any of the solicitation materials on behalf of the County. A violation of this provision will result in the disqualification of the Contractor/Proposer from participation in the County solicitation or the termination or cancellation of any resultant County contract. This provision will survive the expiration, or other termination of this Agreement.

**3.14 Employment Eligibility Verification**

**3.14.1** The contractor warrants that it fully complies with all Federal and State statutes and regulations regarding the employment of aliens and others and that all its employees performing work under this Contract meet the citizenship or alien status requirements set forth in Federal and State statutes and regulations. The contractor must obtain, from all employees performing work hereunder, all verification and other documentation of employment eligibility status required by Federal and State statutes and regulations including, but not limited to, the Immigration Reform and Control Act of 1986, (P.L. 99-603), or as they currently exist and as they may be hereafter amended. The contractor must retain all such documentation for all covered employees for the period prescribed by law.

**3.14.2** The contractor must indemnify, defend, and hold harmless, the County, its agents, officers, and employees from employer sanctions and any other liability which may be assessed against the contractor or the County or both in connection with any alleged violation of any Federal or State statutes or regulations pertaining to the eligibility for employment of any persons performing work under this Contract.

**3.15 Independent Contractor Status**

**3.15.1** This Contract is by and between the County and the contractor and is not intended, and must not be construed, to create the relationship of agent, servant, employee, partnership, joint venture, or association, as between the County and the contractor. The employees and agents of one party must not be, or be construed to be, the employees or agents of the other party for any purpose whatsoever. Except as otherwise expressly provided in the Agreement, Contractor has no power or authority to bind the County to any obligations, agreements, or contracts.

**3.15.2** The contractor will be solely liable and responsible for providing to, or on behalf of, all persons performing work pursuant to this Contract all compensation and benefits. The County will have no liability or responsibility for the payment of any salaries, wages, unemployment benefits, disability benefits, Federal,

State, or local taxes, or other compensation, benefits, or taxes for any personnel provided by or on behalf of the contractor.

**3.15.3** The contractor understands and agrees that all persons performing work pursuant to this Contract are, for purposes of Workers' Compensation liability, solely employees of the contractor and not employees of the County. The contractor will be solely liable and responsible for furnishing any and all Workers' Compensation benefits to any person as a result of any injuries arising from or connected with any work performed by or on behalf of the contractor pursuant to this Contract.

**3.15.4** Use of the County seal or other County identifier requires prior written approval of the County Chief Administrative Officer or his or her designee. IMPROPER USE OF THE COUNTY SEAL OR OTHER IDENTIFIER SHALL BE REFERRED TO THE COUNTY DISTRICT ATTORNEY OR OTHER APPROPRIATE PROSECUTORIAL AGENCY FOR INVESTIGATION AND PROSECUTION TO THE FULL EXTENT PERMITTED BY LAW. To the extent such material includes the County seal or other identifier, such material shall be distinguishable from County materials and expressly and clearly indicate that Contractor is an independent contractor or consultant.

### **3.16 Most Favored Public Entity**

If the contractor's prices decline or should the contractor at any time during the term of this Contract provide the same goods or services under similar quantity and delivery conditions to the State of California or any county, municipality, or district of the State at prices below those set forth in this Contract, then such lower prices must be immediately extended to the County.

### **3.17 Non-Exclusivity**

Nothing herein is intended nor will be construed as creating any exclusive arrangement with the contractor. This Contract will not restrict County from acquiring similar, equal or like goods and/or services from other entities or sources.

### **3.18 Nondiscrimination and Affirmative Action**

**3.18.1** The contractor certifies and agrees that all persons employed by it, its affiliates, subsidiaries, or holding companies are and will be treated equally without regard to or because of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, in compliance with all applicable Federal and State anti-discrimination laws and regulations.

**3.18.2** Contractor certifies to the County each of the following:

**3.18.2.1** That contractor has a written policy statement prohibiting discrimination in all phases of employment.

Such action must include, but is not limited to: employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.
- 3.18.4** The contractor certifies and agrees that it will deal with its subcontractors, bidders, or vendors without regard to or because of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation.
- 3.18.5** The contractor certifies and agrees that it, its affiliates, subsidiaries, or holding companies will comply with all applicable Federal and State laws and regulations to the end that no person will, on the grounds of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Contract or under any project, program, or activity supported by this Contract.
- 3.18.6** The contractor will allow County representatives access to the contractor's employment records during regular business hours to verify compliance with the provisions of this Paragraph 3.18 (Nondiscrimination and Affirmative Action) when so requested by the County.
- 3.18.7** If the County finds that any provisions of this Paragraph 3.18 (Nondiscrimination and Affirmative Action) have been violated, such violation will constitute a material breach of this Contract upon which the County may terminate or suspend this Contract. While the County reserves the right to determine independently that the anti-discrimination provisions of this Contract have been violated, in addition, a determination by the California Fair Employment and Housing Commission or the Federal Equal Employment Opportunity Commission that the contractor has violated Federal, or State anti-discrimination laws or regulations will constitute a finding by the County that the contractor has violated the anti-discrimination provisions of this Contract.
- 3.18.8** The parties agree that in the event the contractor violates any of the anti-discrimination provisions of this Contract, the County will, at its sole option, be entitled to the sum of five hundred dollars (\$500) for each such violation pursuant to California Civil Code Section 1671 as liquidated damages in lieu of terminating or suspending this Contract.

### **3.19 Fair Labor Standards**

The contractor must comply with all applicable provisions of the Federal Fair Labor Standards Act and must indemnify, defend, and hold harmless the County and its agents, officers, and employees from any and all liability, including, but not limited to, wages, overtime pay, liquidated damages, penalties, court costs, and attorneys' fees arising under any wage and hour law, including, but not limited to, the Federal Fair Labor Standards Act, for work performed by the contractor's employees for which the County may be found jointly or solely liable.

### **3.20 Notices**

All notices or demands required or permitted to be given or made under this Contract must be emailed to County Project Lead and Contractor as identified in the Contract, Paragraph 4.1 (County's Administration) and Paragraph 4.2 (Contractor's Administration). Addresses may be changed by either party giving ten (10) days prior written notice thereof to the other party. The Department Director, or his/her designee will have the authority to issue all notices or demands required or permitted by the County under this Contract.

#### **3.20.1 Notice of Delays**

Except as otherwise provided under this Contract, when either party has knowledge that any actual or potential situation is delaying or threatens to delay the timely performance of this Contract, that party must, within one (1) business day, give notice thereof, including all relevant information with respect thereto, to the other party.

#### **3.20.2 Notice of Disputes**

The contractor must bring to the attention of the County's Project Manager and/or County's Project Director any dispute between the County and the contractor regarding the performance of services as stated in this Contract. ### **3.21 Injury and Illness Prevention Program**

Contractor will be required to comply with the State of California's Cal OSHA's regulations. California Code of Regulations Title 8 Section 3203 requires all California employers to have a written, effective Injury and Illness Prevention Program (IIPP) that addresses hazards pertaining to the particular workplace covered by the program.

## **4 COMPLIANCE WITH COUNTY REQUIREMENTS**

### **4.1 Drug Free Workplace Compliance**

The Contractor hereby warrants and certifies that it shall comply with Board Policy 9.050 and the California Drug-Free Workplace Act of 1990 (Cal. Gov. Code § 8350 et seq.), as amended, including provision of the requisite certification as set forth therein; and the federal Drug-Free Workplace Act of 1988, including its implementing regulations (29 CFR Part 98 commencing with §98.600), as applicable.

### **4.2 Warranty Against Contingent Fees**

**4.2.1** The contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Contract upon any Contract or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the contractor for the purpose of securing business.

**4.2.2** For breach of this warranty, the County will have the right to terminate this Contract and, at its sole discretion, deduct from the Contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

### **4.3 Warranty of Compliance with County's Defaulted Property Tax Reduction Program**

Contractor acknowledges that County has established a goal of ensuring that all individuals and businesses that benefit financially from County through contract are current in paying their property tax obligations (secured and unsecured roll) in order to mitigate the economic burden otherwise imposed upon County and its taxpayers.

Unless contractor qualifies for an exemption or exclusion, contractor warrants and certifies that to the best of its knowledge it is now in compliance, and during the term of this contract will maintain compliance, with [Los Angeles County Code Chapter 2.206](#).

### **4.4 Time Off for Voting**

The contractor must notify its employees and must require each subcontractor to notify and provide to its employees, information regarding the time off for voting law ([Elections Code Section 14000](#)). Not less than ten (10) days before every statewide election, every contractor and subcontractors must keep posted conspicuously at the place of work, if practicable, or elsewhere where it can be seen as employees come or go to their place of work, a notice setting forth the provisions of [Section 14000](#).

### **4.5 Compliance with the County's Jury Service Program**

#### **4.5.1 Jury Service Program**

This Contract is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in [Sections 2.203.010 through 2.203.090 of the Los Angeles County Code](#).

#### **4.5.2 Written Employee Jury Service Policy**

**4.5.2.1** Unless the contractor has demonstrated to the County's satisfaction either that the contractor is not a "contractor" as defined under the Jury Service Program ([Section 2.203.020 of the County Code](#)) or that the contractor qualifies for an exception to the Jury Service Program ([Section 2.203.070 of the County Code](#)), the contractor must have and adhere to a written policy that provides that its Employees will receive from the contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the contractor or that the contractor deduct from the Employee's regular pay the fees received for jury service.

**4.5.2.2** For purposes of this paragraph, "contractor" means a person, partnership, corporation or other entity which has a contract with the County or a subcontract with a County contractor and has received or will receive an aggregate sum of fifty thousand dollars (\$50,000) or more in any twelve (12) month period under one or more County contracts or subcontracts. "Employee" means any California resident who is a full-time employee of the contractor. Full-time employees providing short-term, temporary services of ninety (90) days or less within a twelve (12) month period are not considered full-time for purposes of the Jury Service

Program. If the contractor uses any subcontractor to perform services for the County under the Contract, the subcontractor will also be subject to the provisions of this paragraph. The provisions of this paragraph will be inserted into any such subcontract agreement and a copy of the Jury Service Program must be attached to the agreement.

**4.5.2.3** If the contractor is not required to comply with the Jury Service Program when the Contract commences, the contractor will have a continuing obligation to review the applicability of its “exception status” from the Jury Service Program, and the contractor must immediately notify the County if the contractor at any time either comes within the Jury Service Program’s definition of “contractor” or if the contractor no longer qualifies for an exception to the Jury Service Program. In either event, the contractor must immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Contract and at its sole discretion, that the contractor demonstrate, to the County’s satisfaction that the contractor either continues to remain outside of the Jury Service Program’s definition of “contractor” and/or that the contractor continues to qualify for an exception to the Program.

**4.5.2.4** Contractor’s violation of this paragraph of the Contract may constitute a material breach of the Contract. In the event of such material breach, County may, in its sole discretion, terminate the Contract and/or bar the contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach.

#### **4.6 Compliance with County’s Zero Tolerance Policy on Human Trafficking**

Contractor acknowledges that the County has established a Zero Tolerance Policy on Human Trafficking prohibiting contractors from engaging in human trafficking.

If a Contractor or member of Contractor’s staff is convicted of a human trafficking offense, the County will require that the Contractor or member of Contractor’s staff be removed immediately from performing services under the Contract. County will not be under any obligation to disclose confidential information regarding the offenses other than those required by law.

Disqualification of any member of Contractor’s staff pursuant to this paragraph will not relieve Contractor of its obligation to complete all work in accordance with the terms and conditions of this Contract.

#### **4.7 Compliance with the County Policy of Equity**

To implement an extension of time, an Amendment to the Contract must be prepared and executed by the contractor and by Department Director or his/her designee.

## **8.11 Assignment and Delegation/Mergers or Acquisitions**

- 8.11.1** The contractor must notify the County of any pending acquisitions/mergers of its company unless otherwise legally prohibited from doing so. If the contractor is restricted from legally notifying the County of pending acquisitions/mergers, then it should notify the County of the actual acquisitions/mergers as soon as the law allows and provide to the County the legal framework that restricted it from notifying the County prior to the actual acquisitions/mergers.
- 8.11.2** The contractor must not assign, exchange, transfer, or delegate its rights or duties under this Contract, whether in whole or in part, without the prior written consent of County, in its discretion, and any attempted assignment, delegation, or otherwise transfer of its rights or duties, without such consent will be null and void. For purposes of this paragraph, County consent will require a written Amendment to the Contract, which is formally approved and executed by the parties. Any payments by the County to any approved delegate or assignee on any claim under this Contract will be deductible, at County's sole discretion, against the claims, which the contractor may have against the County.
- 8.11.3** Any assumption, assignment, delegation, or takeover of any of the contractor's duties, responsibilities, obligations, or performance of same by any person or entity other than the contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without County's express prior written approval, will be a material breach of the Contract which may result in the termination of this Contract. In the event of such termination, County will be entitled to pursue the same remedies against contractor as it could pursue in the event of default by contractor.

## **8.12 Subcontracting**

- 8.12.1** The requirements of this Contract may not be subcontracted by the contractor without the advance approval of the County. Any attempt by the contractor to subcontract without the prior consent of the County may be deemed a material breach of this Contract.
- 8.12.2** If the contractor desires to subcontract, the contractor must provide the following information promptly at the County's request:
- 8.12.2.1** A description of the work to be performed by the subcontractor.
  - 8.12.2.2** A draft copy of the proposed subcontract; and
  - 8.12.2.3** Other pertinent information and/or certifications requested by the County.
- 8.12.3** The contractor must indemnify, defend, and hold the County harmless with respect to the activities of each and every subcontractor in the same manner and to the same degree as if such subcontractor(s) were the contractor employees.
- 8.12.4** The contractor will remain fully responsible for all performances required of it under this Contract, including those that the contractor has determined to subcontract, notwithstanding the County's approval of the contractor's proposed subcontract.

- 8.12.5** The County's consent to subcontract will not waive the County's right to prior and continuing approval of any and all personnel, including subcontractor employees, providing services under this Contract. The contractor is responsible to notify its subcontractors of this County right.
- 8.12.6** The County's Project Director is authorized to act for and on behalf of the County with respect to approval of any subcontract and subcontractor employees. After approval of the subcontract by the County, contractor must forward a fully executed subcontract to the County for their files.
- 8.12.7** The contractor will be solely liable and responsible for all payments or other compensation to all subcontractors and their officers, employees, agents, and successors in interest arising through services performed hereunder, notwithstanding the County's consent to subcontract.
- 8.12.8** The contractor must obtain certificates of insurance, which establish that the subcontractor maintains all the programs of insurance required by the County from each approved subcontractor. Before any subcontractor employee may perform any work hereunder, contractor must ensure delivery of all such documents to the County Project Manager.

### **8.13 Governing Law, Jurisdiction, and Venue**

This Contract will be governed by, and construed in accordance with, the laws of the State of California. The contractor agrees and consents to the exclusive jurisdiction of the courts of the State of California for all purposes regarding this Contract and further agrees and consents that venue of any action brought hereunder will be exclusively in the County of Los Angeles.

### **8.14 Validity**

If any provision of this Contract or the application thereof to any person or circumstance is held invalid, the remainder of this Contract and the application of such provision to other persons or circumstances will not be affected thereby.

### **8.15 Interpretation**

No provision of this Agreement is to be interpreted for or against either party because that party or that party's legal representative drafted such provision.

### **8.16 Authorization Warranty**

The contractor represents and warrants that the person executing this Contract for the contractor is an authorized agent who has actual authority to bind the contractor to each and every term, condition, and obligation of this Contract and that all requirements of the contractor have been fulfilled to provide such actual authority.

### **8.17 Entire Agreement**

**8.17.1** This Contract constitutes the entire, full, complete and exclusive statement of understanding between the parties which supersede all previous written or oral agreements, and all prior communications between the parties relating to the subject matter of this Contract.

**8.17.2** Contractor warrants that he/she has received a copy of this Agreement, including all exhibits thereto, and upon execution of this Agreement, it shall be Contractor's responsibility to retain on file, and to abide by the entire Contract.

## **8.18 Counterparts and Electronic Signatures and Representations**

This Contract may be executed in two or more counterparts, each of which will be deemed an original but all of which together will constitute one and the same Contract. The email or electronic signature of the Parties will be deemed to constitute original signatures, and electronic copies hereof will be deemed to constitute duplicate originals.

The County and the Contractor hereby agree to regard electronic representations of original signatures of authorized officers of each party, when appearing in appropriate places on the Amendments prepared pursuant to Paragraph 8.10 (Amendments) and received via email or electronic signature, as legally sufficient evidence that such legally binding signatures have been affixed to Amendments to this Contract.
